

New York District Kiwanis Foundation Inc.

**Kamp
Kiwanis®**

Dear Supporters of Kamp Kiwanis:

The New York District Kiwanis Foundation and Kamp Kiwanis will be celebrating its 50th Anniversary with a Gala on Sunday, March 4, 2018. At this time, we will be recognizing the hard work and dedication done by so many to make and keep the Kamp successful.

Kamp Kiwanis is owned and operated by the New York District Kiwanis Foundation. The program at Kamp Kiwanis is designed to mainstream all children, including up to 20 each session with special needs. It is non-competitive with emphasis on group and team building. No activity is forced, but all are encouraged. In addition, the Kamp serves adults with disabilities for two weeks, providing them with a fun-filled vacation. Kamp Kiwanis is aimed at providing fun, physical exercise and adventure. It strives to afford opportunities to participate in a creative outdoor group experience in a democratic setting and develop characteristics of leadership and fair play.

We value the relationship that we have with you and hope that we can count on your continued support. We hope you can join us to celebrate or to be a sponsor. We are currently looking for Gala sponsors and for Gala Journal Advertisement sponsors. If you are interested in an Journal Advertisement, please take the time to complete the ad form enclosed and return it no later than February 9, 2018. If you are interested in tickets to the Gala or any of the sponsorship opportunities please contact us at 50gala@kampkiwanis.org.

Our success is directly related to your generosity. We realize that the economy is tough and we can all use more, but the reality is that the Kamp cannot function, maintain or upgrade its facilities without your support. Please remember life can be defined by what we give, not what we have. Your contribution can be the difference, please help.

We are looking forward to at least another 50 years of camping with great results. We would love to have you behind our efforts. Together, we can continue to serve children and adults with disabilities. Let's continue to show the world – we can make a difference.

Sincerely,

The Officers and Board of Directors of the New York District Kiwanis Foundation
